

Piano Practice **MUST DO's!**

LISTEN
to yourself

Do it
RIGHT
from the
very first.

Try to **UNDERSTAND**
the music.

WRITE it DOWN!

What the
teachers says,
things you
figure out
about the
music, and
interpretation.

**BE YOUR
OWN
TEACHER.**

**IDENTIFY, FIGURE
OUT, FIX!**

Look at
practicing as
problem
solving.

**ASK: Does it sound right? Does it feel right?
Does is look right?**
